## Summary

Informatics student at Indiana University researching how Digital Humans can become useful business interfaces. Work across human-centred AI, accessibility, civic technology, and systems that have to survive real customers. Expected May 2027.

## Education

**Indiana University Bloomington, Luddy School of Informatics, Computing, and Engineering** — Expected May 2027
*B.S. Informatics. Minors: Business Technology and UX Research. GPA: 3.50* — *Bloomington, IN*

- Hudson & Holland Scholar (full merit). First-generation college student. Luddy Direct Admit.
- Study abroad: Universidad Complutense de Madrid, Spring 2026.

## Experience

**Digital Humans Project Lead** — Feb 2025 to present
*Luddy School of Informatics, Computing, and Engineering* — *Bloomington, IN*

- Student lead on interfaces that look and communicate like a person: trust, disclosure, consent, and human oversight.
- Public work stays high level: can a person inspect and correct the profile in use, refuse at each stage, and find who is accountable when the system is wrong.

**Website Team Lead** — Jan 2024 to present
*Laurie Burns McRobbie ServeIT Clinic, Luddy* — *Bloomington, IN*

- Promoted from intern to Website Team Lead: intake, scoping, delegation, accessibility as delivery, and handoffs for partners without a developer on call.
- Public partners include City of Bloomington, Middle Way House, Indiana Phenology Lab, and Bloomington Chamber of Commerce.
- Fall 2026: co-lead accessibility assessment for the Town of Nashville, Indiana (WCAG-oriented checks and report; no live-site edits).

**Web Developer** — Jun 2026 to Jul 2026
*National Science Foundation (NSF)* — *Bloomington, IN*

- Documented how application data moves through internal systems. Work is NDA-bound; no client names or unpublished metrics.

**Founder, Serve-AI** — May 2024 to Dec 2024
*Public Interest Technology University Network (PIT-UN)* — *Bloomington, IN*

- Public-interest AI initiative, distinct from ServeIT. Lightweight tools and adoption notes for nonprofit operations. Materials under CC BY-SA 4.0 on github.com/zhao-langxi.

**Web, ordering, and operations** — Ongoing
*Family restaurant (Potstickers) and independent practice* — *New Palestine / Indianapolis, IN*

- Digital systems for a restaurant that has to work Tuesday to Sunday: site, ordering, and social. Handoff guides so the next person can keep the tools running.
- Independent practice (Jade): civic partners, hospitality concepts, Showit-friendly booking sites, and anonymised campus ventures. Mock-ups labelled as such. Inventory: jadexzhao.github.io/jadexzhao/jade-practice.html.

## Leadership

**FASE MAP Coordinator / Peer Mentor** — 2025 to Aug 2026
*Office of Student Life* — *Bloomington, IN*

- Mentored first-generation and low-income students. Distinct from Hudson & Holland and FAMIU roles.

**Program Assistant** — 2025 to present
*Office of Student Life, Hudson & Holland Scholars Program* — *Bloomington, IN*

- Programme support for Hudson & Holland Scholars. Handshake career content for early-career peers (no vanity metrics).

**FAMIU** — 2023 to present
*Events and alumni relations* — *Bloomington, IN*

- Campus events and alumni-facing work. Separate from MAP.
