

TikTok handoff

Jade Zhao · handoff sheet · Last checked: October 2026

For the person who will record or upload a short video and post it after the builder leaves.

Why tickets happen

Tickets pile up when someone records on the wrong account, or leaves the draft before tapping Post.

Steps

- 1 Open the TikTok app and sign in with the account that owns the business profile.
- 2 Tap Profile and check the username before you post.
- 3 Tap the + button in the middle of the bottom bar.
- 4 Hold the red button to record, or tap Upload to pick a video from your phone.
- 5 On the edit screen, add text or sound if you want. Tap Next.
- 6 Write a short caption. Check visibility. Tap Post.

Write this down

- The TikTok username that should post.
- Whether posts should be public (Everyone).
- Who is allowed to Post vs only draft.
- Never put the password on this sheet.
