Indiana University Bloomington | Luddy School of Informatics, Computing, and Engineering Expected May 2027
Bachelor of Science in Informatics *Bloomington, IN*

- Minors: Business Technology and User Experience Research. GPA: 3.55/4.00.
- Hudson & Holland Scholar. First-generation college student.
- Study abroad: Universidad Complutense de Madrid, Spring 2026.

Technical Experience

Project Lead Jan 2024 to present
Laurie Burns McRobbie ServeIT Clinic, Indiana University *Bloomington, IN*

- Lead community-focused technology projects, turning stakeholder requirements into accessible, practical, maintainable digital solutions.
- Coordinate website work for the City of Bloomington, Middle Way House, Greater Bloomington Chamber of Commerce, and Town of Nashville.
- Co-lead Town of Nashville accessibility evaluations. Work with student teams and stakeholders to review deliverables and document solutions.

Researcher May 2024 to Dec 2025
Indiana University, Research Experiences for Undergraduates *Bloomington, IN*

- Designed interface prototypes, Figma user flows, and reusable components to improve information architecture and usability.
- Contributed to Public Interest Technology University Network (PIT-UN) and Serve-AI (distinct from ServeIT).

Web Design Intern Aug 2024 to Dec 2024
Middle Way House, ServeIT Clinic *Bloomington, IN*

- Supported website design and usability improvements for a nonprofit serving survivors of domestic violence and sexual assault.
- Improved how digital information is organised and presented, with attention to accessibility, clear navigation, and access to essential support resources.

Additional Experience and Leadership

Program Assistant Aug 2026 to present
Hudson & Holland Scholars Program, IU Office of Student Life *Bloomington, IN*

- Coordinate scholar programming, leadership initiatives, and student engagement that support academic and professional development.
- Connect first-generation scholars with university resources, mentoring, and academic support.

Career Content Creator May 2025 to Aug 2025
Handshake Career Creator *Bloomington, IN*

- Developed accessible career content on internship searches, professional networking, and career development.
- Wrote practical guidance so students can use Handshake, LinkedIn, and early-career opportunities.
