Bachelor of Science in Informatics · Minors in Business Technology and User Experience Research *Bloomington, IN*

- GPA: 3.55/4.00. First-generation college student and Hudson & Holland Scholar.
- Study abroad: Universidad Complutense de Madrid, Spring 2026.

Experience

Program Assistant Aug 2026 to present

IU Office of Student Life · Hudson & Holland Scholars Program (HHSP) *Bloomington, IN*

- Coordinate scholar programming, student engagement, and connections to academic and wellness resources.
- Support conferences and mentoring. Help first-generation scholars find academic and personal support.

Project Lead Jan 2024 to present

Laurie Burns McRobbie ServeIT Clinic · Luddy School, Indiana University *Bloomington, IN*

- Lead technology projects for nonprofits and public offices, turning partner needs into practical digital solutions.
- Coordinate website work for the City of Bloomington, Middle Way House, the Greater Bloomington Chamber of Commerce, and the Town of Nashville.
- Co-lead Town of Nashville accessibility reviews: find barriers, prioritise recommendations, keep solutions maintainable.

Researcher May 2024 to Dec 2025

Indiana University · Research Experiences for Undergraduates (REU) *Bloomington, IN*

- Designed and refined user-interface prototypes to improve navigation, consistency, and usability.
- Developed Figma user flows and reusable interface components.
- Contributed to Public Interest Technology University Network (PIT-UN) and Serve-AI work on user-centred tools. Distinct from ServeIT.

Leadership and Community Engagement

Career Content Creator May 2025 to Aug 2025

Handshake Career Creator · Indiana University *Bloomington, IN*

- Created career guidance for a platform with more than 100,000 followers and over 1 million profile views.
- Helped students use Handshake, LinkedIn, internship searches, and professional networking.

Web Design Intern Aug 2024 to Dec 2024

Middle Way House · ServeIT Clinic *Bloomington, IN*

- Contributed to website design and digital improvements for a Bloomington nonprofit partner.
- Applied web design and usability principles so organisational information and support resources are clearer and more accessible.
- Kept the needs of people seeking sensitive services in mind when contributing to content, design, and usability.
