Technical Experience

Project Lead January 2024 to present
Laurie Burns McRobbie Serve IT Clinic, Indiana University *Bloomington, IN*

- Lead technology projects for nonprofit and public-sector partners, translating organisational needs into technical requirements and project deliverables.
- Coordinate website development and digital improvements for the City of Bloomington, Middle Way House, Greater Bloomington Chamber of Commerce, and Town of Nashville.
- Co-lead accessibility evaluations for the Town of Nashville, identifying website usability barriers and developing prioritised recommendations.
- Collaborate with student teams and community stakeholders to establish project priorities, review deliverables, and document solutions for long-term maintenance.

Researcher May 2024 to December 2025
Indiana University, Research Experiences for Undergraduates *Bloomington, IN*

- Designed and refined user-interface prototypes to improve navigation, information organisation, and usability.
- Developed Figma user flows and reusable interface components for consistent, user-centred digital experiences.
- Contributed to Public Interest Technology University Network (PIT-UN) and Serve-AI initiatives focused on public-interest technology and digital tool development.

Web Design Intern August 2024 to December 2024
Middle Way House, Serve IT Clinic *Bloomington, IN*

- Contributed to website design and accessibility improvements for a nonprofit supporting survivors of domestic violence and sexual assault.
- Improved content organisation and navigation so essential support information is easier to find.

Additional Experience

Program Assistant August 2026 to present
Hudson & Holland Scholars Program, IU Office of Student Life *Bloomington, IN*

- Coordinate scholar programming, leadership initiatives, and mentoring activities supporting academic and professional development.
- Connect first-generation students with university resources, academic support, and professional opportunities.

Career Content Creator May 2025 to August 2025
Handshake Career Creator *Bloomington, IN*

- Developed career-focused digital content covering internship searches, professional networking, and career development.
- Created practical guidance so students can use Handshake, LinkedIn, and early-career opportunities.
